Colors Available:
*These pictures are premium shred

Polystar® Rubbermulch is:

- A soft, spongy, and cushioned surface
 - Perfect for playgrounds
 - Safe, non toxic, fire retardant and sliver proof
 - 5x heavier than wood fiber, so it will not blow away
 - Durable, will not decompose and produce fungus or mold
 - Color will not rub off, fade, or decay
 - Also recommended for landscaping
- retains moisture and inhibits weeds

- 5 year color warranty
- Meets ASTM 1292
- ADA compliant
- 100% Recycled Ca Tires
- Environmentally friendly
- Loose fill or Bound together
